"ELIZABETH'S HIDEAWAY"

VACATION RENTAL, KIPTOPEKE

Elizabeth's Hideaway is located in the "Kiptopeke" area of the Eastern Shore, mean "big water," referring to the western side of the peninsula, near the mouth of the Chesapeake Bay by Kiptopeke Beach and State Park. Kiptopeke State Park is a popular fishing spot with a boat ramp and a long pier, as well as nine sunken concrete ships from World War II that form a breakwater and artificial reef about 1,500 feet from shore. Popular catches include speckled trout, rockfish, perch and spot.

Elizabeth's Hideaway comfortably sleeps 6 with 3 bedrooms, 2.5 baths, a king size bed and 2 double beds. Cozy comforts include satellite TV, DVD player, fully equipped kitchen with dishwasher, and washer/dryer.

The front lawn may accommodate boat parking for smaller boats.
