

THE CARETAKER'S CLUB VACATION RENTALS

OYSTER IN CAPE CHARLES, VA

You are sure to love all of life's simplicities offered at The Oyster House. Located in the Oyster area of Cape Charles, the serene setting of water views and the rustling of crops in the surrounding fields provides quiet relaxation from the everyday life you came here to escape from.

Just half mile away is the Oyster Boat Launch for our fisherman friends and daily boating adventurers. Local dining and activities are just a short drive into the Town of Cape Charles. Kayaking, hang gliding, wine tours at local vineyards, beachcombing, dolphin watching cruises, antiquing, and many other nature excursions frequent the entire Eastern Shore.

Back at The Oyster House, you will enjoy picnicking or playing ball in the large back yard, sunning on the third floor deck, or entertaining in the 1st floor "party" room. This entertainment area was custom designed with hand made bar, flat screen TV, ping pong and foosball tables, and is conditioned space to accommodate the 1 or 2 extra people who brought their air mattress!

Step back in time to a period-themed kitchen typical of southern tradition while still enjoying all the comforts of the adjoining living room with ample seating and flat screen TV. Both bedrooms have comfortable and cozy double beds, flat screen TV's with doors leading to the decks to enjoy the views and fresh air.

Take life with a grain of salt...and of course, a wedge of lime and shot of tequila!

Welcome to The Oyster House and have a great vacation!
